**ADDENDUM NO. 1
TO
BID DOCUMENTS FOR
RFP-847
ANN ARBOR STATION CONCEPTUAL DESIGN AND ENVIRONMENTAL
REVIEW
CITY OF ANN ARBOR, MICHIGAN**

The following changes, additions, and/or deletions shall be made to the Request for Proposal for the **Ann Arbor Station Conceptual Design and Environmental Review**, for the City of Ann Arbor, Michigan, RFP-847.

The information contained herein shall take precedence over the original documents and all previous addenda, and is appended thereto. **This Addendum includes 1 page(s).**

Changes in the Request for Proposal which are outlined below are referenced to a page or drawing in which they appear conspicuously. The Respondent is to take note in its review of the documents and include these changes as they affect work or details in other areas not specifically referenced here.

Item #1: Section II, Background, Notice to Respondents, page 9; replace this section:

Notice to Respondents: Additional phases, including preliminary engineering and construction may follow completion of this Project. The respondent selected to complete this Project will not be eligible to participate in any future phases of work based on the conceptual design and environmental review produced in this Project.

with the following:

Notice to Respondents: Additional phases, including preliminary engineering and construction may follow completion of this Project. The respondent selected to complete this Project will not be eligible to participate in any future phases of work based on the conceptual design and environmental review produced for this Project. This provision regarding eligibility to participate in future phases of work is only pertinent to the selected respondent. It does not preclude sub-consultants engaged by the selected respondent to perform a portion(s) of the contractual requirements from participating in future phases of work.
