

ADDENDUM NO. 1 TO REQUEST FOR PROPOSAL NO. 903 FOR THE
STADIUM BOULEVARD RECONSTRUCTION PROJECT – HUTCHINS TO
KIPKE DRIVE FOR THE CITY OF ANN ARBOR, MICHIGAN

The information contained herein is intended to provide additional information regarding the existing conditions of the project area to prospective proposers. The information relates to various performed geotechnical investigations for the E. Stadium Boulevard Bridges Replacement Project; groundwater monitoring information along E. Stadium Boulevard east of Kipke Drive; record drawings of the E. Stadium Boulevard Bridges Replacement Project; record drawings of the W. Stadium Boulevard Reconstruction Project – Pauline to Hutchins; record drawings of the Huron Parkway Reconstruction Project – Phase V; a copy of the existing topographic survey within the original limits of the E. Stadium Boulevard Bridges Replacement Project; and, record drawings of various existing City of Ann Arbor water main, storm, and sanitary sewers located within and in the vicinity of the project limits.

Due to the amount and size of the files, the information will be made available for download using the City of Ann Arbor’s Sharepoint Site, a link to which follows:

http://www.a2gov.org/government/financeadminservices/procurement/Documents/RFP_903_Addendum_1.zip

The Consultant’s will be responsible for any conclusions that they may draw from the information contained in this Addendum No. 1.

Proposals for this project will be received by the City of Ann Arbor as previously directed in RFP No. 903 on, or before, 10:00 a.m., Friday, June 20, 2014.
