I. QUESTIONS AND RESPONSES

The following Questions have been received by the City. Responses are being provided in accordance with the terms of the RFP. Respondents are directed to take note in its review of the documents of the following questions and City responses as they affect work or details in other areas not specifically referenced here.

Question 1: Is there existing video sharing from other agency, e.g. MDOT, to the City?

Response 1: There is not existing sharing, but need to be able to accommodate future sharing needs.

Question 2: Is city network multicast enabled?

Response 2: City communication network is multicast enabled.

Question 3: Is there existing audio input and output in control room?

Response 3: Existing audio output is limited to speaker attached to workstation. Specification in RFP regarding audio is to accommodate needs for presentation.

Question 4: Is there existing central system for camera control?

Response 4: There is not existing central system for traffic cameras. Viewing is through web browser.

Question 5: For cable TV, is City going to provide tuner?

Response 5: Need to follow up on this question. Preliminary answer is that City will not provide a tuner.

Question 6: How to accommodate cable connections from Server Room to video wall?

Response 6: City will install pathway from room to room.

Question 7: Can you please tell me what contractors attended the meeting held for this project, or forward me a copy sign in sheet if available?

Response 7: The Pre-Proposal Meeting Sign-in Sheet is attached hereto.

Respondents are responsible for any conclusions that they may draw from the information contained in the Addendum.
