

IT'S TIME TO STORM THE DRAINS!

Storm Drain Scavenger Hunt

Cleaning out the storm drain on your street is a simple way to help keep the Huron River clean and prevent flooding in your neighborhood. If you make it a scavenger hunt, it can actually be fun! Find a parent or sibling, or join your friends virtually through a video chat app. Remember to bring gloves and a bag for trash. So, if you're a cleaning fanatic, or just want to get out of the house, take it outside! You'll be helping the neighborhood and the environment! To learn more about stormwater, visit a2gov.org/stormwater.

Bug

Feather

Flower

Food Wrapper

Leaf

Pine Cone

Plastic Straw

Rock

Stick

Worm

Want to make it personal? Adopt your very own storm drain!

It's true. You can adopt any storm drain in your neighborhood and start helping out today! Learn more here:
